President's Message -- Rob Larsen

Well, summer is nearly gone and there has been some fantastic fishing and should continue to be some great fishing. I was able to go to Westport twice this past week and was not disappointed with the quality of the kings. We got some great upriver brights that are wonderful table fair. Found them in 300 feet of water down 150 to 220 feet. Fat and sassy silvers were a little more difficult to find, but on the second day we got a limit of small hatchery silvers.

Very much looking forward to our annual steak and corn feed. Hope to see many of you there.

We have much work to do with the things that happened in Puget Sound this year. As far as juvenile encounters we will be talking more about that in the months and weeks ahead. I am still waiting for the announcement, but I believe that area 11 will open in September for Silver's and pinks. And I hope it's good.

Just want to let all of you know how much I appreciate what you do for the club and especially the board. I have a fantastic board. Come enjoy the party!

Tight Lines,
Rob Larsen
SOF PSA president

Steak and Corn Feed

Our annual Steak and Corn Feed will be held August 23rd, 6PM at the Veterans Memorial Park in Auburn (411 E St. NE). It is located on the west side of Auburn High School's football stadium. As in all the years past, the club is paying for the PRIME RIB while the membership will bring all the Potluck items.

Like last year, we've decided to have a club swap, trade, sale event of any items you have sitting around your garage that you may want to get rid of. So, go thru your unused items, bring them along with your side dish and see what you can trade or sell. Feel free to donate them to the club if they don't sell.

Please RSVP to Jim Hand jimhand_1@hotmail.com **by August 20th** so that we can have the correct amount of prime rib.

Humptulips River Outing – September 29-30

The Mike Wood Memorial Fall fishing outing in Wishkah will take place on Friday September 29th and Saturday September 30th at Darrell Wood's house. The Friday night potluck will take place around 8pm, so bring your favorite dish to share. The group is to stay in the detached guest house/bunkhouses where beds are limited, so bring any cots or mattresses you may need to get some sleep before rising early to pursue fish on your stream of choice. For those arriving Friday night, some of the group will have already tested the waters and will have reports to help you decide where to go. Popular rivers in the area include the Humptulips, Chehalis, Satsop, Wynoochie, Wishkah, Copalis, Queets and Clearwater Rivers.

Be sure to attend the general meeting on Wednesday September 27th to pick up tips from chapter members and get additional information like maps and directions.

The address to the house is: 46 W. Wishkah Rd, Wishkah, Wa. Phone service at the house is spotty at best. If you have a boat and have room to take someone, think about inviting someone you've not fished with before. If you have a good bank spot, invite someone to join you. If you have a good day on the river, take some pictures and send them to Dayle for the next hog pen portion of the newsletter.

Be sure to let Rob Larsen know if you are interested in joining this outing!

Tip of the Month – Sharp Hooks

from Rob Larsen

Late season fish get very hard mouths and now more than ever, an extremely sharp hook is critical. Have a good hook sharpener and a good quality hook and you will bring home many more fish. These later fish kind of play with it and you need every advantage to hook them.
