

Shane's Best Darn Razor Clam Dip Ever

(this is for a double batch)

Ingredients: 2- 8 oz. pkgs. of cream cheese 8-10 oz chopped or ground razor clams (I grind mine and usually use necks) 1 Tbs. Worcestershire Sauce 1 Tbs. lemon juice 1 Tbs. garlic powder 3-4 shots of Tabasco Original (shot means shake, not shot glass!) 6-8 shots of Tabasco Chipotle

Cook ground clams in microwave for approx. 2 minutes, stirring after every 20 seconds. Blend all ingredients together and chill.

*Cool clams in freezer before adding to other ingredients if you want to enjoy right away. We have found that the Ritz Toasted Chips Main Street Original are the best chips for dipping!
